Hello

I received your letter yesterday and was glad as always to hear from you, this leaves all well and happy here and very anxious to get home. I hope it will find all there the same. As you know the final games of the second half is being played Sunday, and its between Aguadilla and Santurce, with Santurce having a slight edge, they are one game in front, but they stand a good chance of losing both games Sunday because they play the toughest team on the island, Guayama, while Aguadilla plays the weakest, Humacao. If Santurce wins it is to our benefit, because then we play the play off games in San Juan, and the crowds are always better in San Juan, and too, I think Santurce is weaker, thereby giving us a better chance to win the championship, and I know that will mean a great deal for us both financially and otherwise. I have seen both Ray and Harry and they told me they got your letter, and both are writing you or at least said they were, I also saw Partlow and he said he would much prefer Newark to the Grays, and would certainly come if you can get him. I mentioned Young in my last letter, and would like to do so again because I think, along with everyone, that he is a good
